

## Completed Development Projects By Shannon Construction Company

### Best Buy

#### West Mifflin, PA

This complete renovation of a grocery store into a Best Buy included; all new utilities, façade and roof. The project was completed in 53 calendar days.

### Bethel Park, PA

The ground up development included raising the site by 40 feet and was part of an \$8M development managed by Shannon Construction.

### Burlington Coat Factory

#### North Hills, PA

The \$1M+ adaptive reuse of an existing 75,000 sf strip mall box was completed using a design collaboration approach to reduce the timeframe to 4 months.
